Rourke's Forge Foulridge Canal Cruises Coal Clough Windfarm Towneley Garden Centre

10.00am

Rourke's Forge

Feel the heat from fire in the furnace as hot iron is forged into delicate roses, paperknives or swans; watch the blacksmith at work and see how he fashions these objects using just a hammer and anvil. Your visit starts with the chance to meet Mr Rourke and find out how his award-winning business has grown from small beginnings to become famous all over the world from the Far East to the U.S.A. Some of this fabulous work is for sale in the showroom together with many other gifts for home and garden. Tea and biscuits are served in the visitor centre.

12.30pm

Foulridge Canal Cruises

A lunch cruise on board the Marton Emperor takes you along the highest and one of the most scenic parts of the canal towards the village of Salterforth. Relax and enjoy this waterways journey through the scenic Pendle countryside, have a drink from the licensed bar and look out for the wildlife all around.

2.00pm

Coal Clough Windfarm

The journey back to Burnley takes you across the South Pennine Moors and past Coal Clough Windfarm whose 24 turbines generate enough power to supply 6000 Burnley homes. This environmentally friendly windfarm is quite a sight to behold and has public footpaths crossing it which allows people to see renewable energy in action.

2.30pm

Towneley Garden Centre

Come along and meet gardening writer and BBC Radio Lancashire's gardening expert Philip Calvert. Phil will be delighted to answer any of your gardening queries - "When is the best time to prune my roses?", "Why are the leaves on my apple tree curling up?", "How do I get rid of dandelions?". Whatever your question you will find your answers in this delightful garden centre in the grounds of Towneley Park. Selling herbaceous plants, alpines, conifers, trees, shrubs and houseplants there is bound to be something to suit your home or garden. Afternoon tea is served in the café adjoining the large shop where you will find an abundance of garden sundries.
